SAGER
ELECTRICAL SUPPLY CO.
201 Congress Street
Boston

Fixture Catalogue
No. 2

TD CAT 1922 Sayer Electric ...

ATHENAEUM OF PHILADELPHIA

SERVICE ACTION GIVES EXCELLENT RESULTS.

IMPORTANT NOTICE

LENGTH of fixture is figured from top of canopy to bottom of shade.

SPREAD is figured from extreme outside of shade to shade.

FINISHES of fixtures are all listed, and are regular stock finishes; other than regular stock can be furnished upon request at an additional charge.

QUALITY of our fixtures guaranteed; all are BRASS excepting chain, which is plated. Solid brass chain can be furnished upon request at an additional charge.

BARE means fixtures complete less wire, sockets, shades, joints, etc.

WIRED means all assembled with key sockets, shades and hickeys, 30-inch over all, unless otherwise specified.

ORDERING — When ordering, be sure to state size, length, finish, bare or wired.

PACKING — All our merchandise is handled by expert packers, and once the carrier signs for and receives material in first-class condition, our responsibility ceases. All claims must be made with carrier.

PACKING CHARGE — We do not charge for packing of any merchandise.

PRICES are subject to change without notice.

Prices are for fixtures wired complete ready to install with glassware as shown, key or keyless sockets, and crowfoot or hickey.

Additional charge will be made for fixtures to be used on a ceiling over 9 feet or where pull sockets or insulating joints are required.

Effective April 15, 1922
